

COMMUNITY SERVICE PROJECT

The Holiday drive for Operation Gratitude was a huge success! The organization sent out it's 500,000th care package and gave away 2 motorcycles (the keys were in the boxes).

This spring's schedule follows. The chapter will again be volunteering with the assembly of these packages. The date will be determined later. But you and/or your troop can volunteer on any of the dates. Be sure to wear your uniform and sash and let Karen Osterheldt know the hours you work. The time you spend is translated into service hours for the chapter.

It means so much to our troops that someone at home cares so much for them. They need our support and thanx for the jobs they do. Writing heartfelt letters of thanks to the troops also helps them.

Mark your calendars and stay tuned for the date the chapter will be working.

Here are the dates when you can volunteer on your own:

April 17th, May 2nd, May 15th, May 29th, and June 19th

The Chapter's official volunteer date is Sunday, June 6th. 9am – 4pm. Lunch will be provided if you work the entire shift.

The project is held at the national guard armory on Victory blvd from 9am to 4pm and lunch is provided if you work all day; morning and afternoon shifts.

Thanks in advance for your service to a very special group of men & women.
